it's raining outside,  
but I'm wet inside

I have some extra time on my hands and decided to spend them with myself. I like caressing myself, getting my body warm and ready for what's to come. I pull off my top and panty and I'm already half way there as my hand gently teases my young wet pussy. Thankfully, it didn't take much as my pussy is very sensitive. All it needs is a little attention to feel wonderful. Watch my video and see for yourself how little it takes for me to feel so good.

Alex and Alexander can't keep their hands off each other. They have some dirty talking going on and we notice they couldn't until they came together for their first time with her perfect firm boobs on full display. The way Alex looks at him when he's fucking her, slowly moving in and out of her smooth pussy. It's a sight to see. Fortunately, you get to see this hot couple in all their youthful splendor.

These are two lucky guys to have two luscious, gorgeous babes who are full of lust and aching for a good time. The four met at the beach and hit it off right away. After both gorgeous gals get done going down on the guys, each has the pleasure of going back and forth as each girl enjoys a cock in their hot, wet pussies. Let's just say they all have a satisfying end to an afternoon full of lust and cum.

# tell me like it is

## got my classes!

I'm a freshman at a major Mid-western university and after I got my class schedule I went to Mr. Louis' office to tell him. As we reviewed my classes, I asked if I could get into one of the same classes as my boyfriend, but he didn't think it was acceptable. He told me it was out of his control and he couldn't do anything about it. So I decided that I had to start flirting with him and eventually showed him why I deserved it.

my knees with Mr. Louis' big, fat hard cock in mouth! I sucked it and played with his balls while his legs trembled. When I sat up and cleared a space on his desk, I pulled my skirt up and as I pulled my panties off, he went to lock his office door. When he came back, I said I wanted him to fuck me as I got on top of his desk and got my 18 year old pussy eaten!

He dropped to his knees and started licking me like a pro. His tongue pierced my hole as I pulled

I went over behind his desk and grabbed his dick through his pants and started undoing his belt. Oh yes, he pretended to complain, but when I yanked his pants and boxers down, his cock sprang right out. It wasn't long until I was on

his head tighter into my pussy. Then he got up and opened my shirt and stuck his cock in me and fucked hard until I squirted all over his hard cock. I got the classes I wanted!

## curbside pickup

I'm driving back to my hotel, Friday night, Spring Break, Ft. Lauderdale. As I left the beach party, I saw this hot coed who wanted a ride to another hotel just past mine. I offered a ride and she accepted, but what she got when she got in was a ride on my big cock and a place on my Facebook page. I found that these stranded Spring Break chicks are so easy cuz they came to party and whatever, and they don't mind having some fun with a total stranger, especially after they've been drinking all night long.

All I needed is a car, some cash, and my charms and this eager young thing was riding me in reverse position and taking my big cock from behind. She reached between us and massaged my hard 8 inch and guided it into her hole. She slid down onto my cock slowly, moaning in ecstasy. When it was all the way in she started riding my cock so smoothly in the back seat. She was doing all the work and making us both moan. She started to move faster and faster. I tilted back in heaven and watched her fuck me. Finally, I pulled her head back up and kissed her long and hard.

Minutes later, we both came. Hers was a sloppy wet orgasm and mine was all over her back. That was my most effortless pickup fuck ever!

*- Jacob, on the A1A*

## unrequited

Hello Mr. Editor, I'm quite shy, but I feel that I need to express myself about a man I've liked for a year, yet will never have the guts to tell him. I'm 20 and some things don't come as easy as they did. My Humanities class in this junior year is helping me come out of my shell. The assignment I liked most this trimester is when our professor asked us to write a private exposé of our feelings.

You grab me on the back of my arm nice and tight. How dare you stare at me like that. If you love your wife so much, why are you here in this room?

me down with the look of lust in your eyes. I glare at you and I see a nice, handsome man in a midnight jacket; you have a wine glass in your hand, and you're laughing with your wife as you celebrate your birthday.

I can no longer tease anymore. I want to make my move. I walk over to the window. I start to look to the mountains as the night sky just floats over the mountains with the stars bright as the sun. I put a cherry in my mouth and start to lick my lips teasing you. You see I'm looking at a door. I walk over to the door while still sucking on my cherry. Right before I put my first foot through the door, I look back to make sure your eyes are still on me.

As I wait for you, I walk over to the window. The room is so dark that all you can see is the bed with the moon light shining in. I slip out of my dress and as soon as it starts to fall to my feet you walk in. You grab me on the back of my arm nice and tight. How dare you stare at me like that. If you love your wife so much, why are you here in this room?

Because you want me. If you didn't want me, you wouldn't be here with me. I quickly turn around so my hard nipples can touch your shirt. As I start talking, I undo your shirt. You see I know and you know (now I'm kissing your lips) you want something new. No, you need something new. (I start to kiss down towards your stomach) Yes, your wife loves you but she doesn't make love you like I could. There was probably a time you two fucked like rabbits; now you would be quite lucky to get it one time in a month.

Now, I start to kiss your growing bulge and then I lay down on the bed as the silk sheets lay under my body. I push myself up with

He said we could choose any person and get as personal as we wanted. He suggested that it would help us reach deep feelings that we may not ever get an outlet for again. If you have some space on your pages, would you please publish this letter. Maybe he will read it and find out how I feel.

My dearest, I want to be your little secret I crave to be your secret, you are all I think about after the night we met. I remember the whole thing like it was yesterday, you were standing there staring

Now, I am a young woman, I have smooth, tan skin, long curly light brown hair that I wear way past my shoulders. My dress looks like it was painted on. As you look at me long, you notice my skinny eyebrows, my big, bright hazel eyes, my full red glossy lips. You start to look further down and you see my firm high breasts. I notice your wife is getting mad that you are looking at me for so long so I had to make her even more angry. I turn around so of both you can see my small thin waist and my firm round ass.

my arms, then I look at you and I motion for you to come closer as I lick my lips. You stand there looking interested, so I spread my legs open so you can see my pussy. As I rub, my wet pussy juices begin to drip down my legs and the sheets. You start to walk closer as you undo your clothes. By the time you are on top me, we are eye to eye – lips to lips – locked onto each other.

I stare into your eyes. My head falls back, my mouth moans and I know I am in love. You start to push in and out as my moans get lost in this all. You start to lick my nipples and I put my hand on your head as you suck harder and harder. Soon you let go and look into my eyes. You kiss my lips and I start to close my eyes and moan as you pump in and out of me. Then we roll over and it's my turn to take control. I start grinding my hips. Then I start to move

your chest as the pleasure rushes through my veins.

I notice you are looking at me. You see the beauty, past our sex, you see what you have been missing. You've been missing sex that wasn't planned. Your wife will suck you for five minutes, lay down on her back for ten, then wait for you to cum. But with me it's different. I let you stay in me as long as you wish. I am something different. Something you can't get in your world.

So I get up and walk over to the window. I feel you looking, staring at me, exploring my naked body. I start to put my dress on as you start to dress as well. Even though I can't see you, I hear you. You walk over behind me, grab my arm and whisper into my ear:

"Will I see you again?"

Quietly, I turn around and put a card into your suit pocket. We

You know that hand anywhere, it's your wife's hand. You start to think of what lie you're going to tell her. Did you just wash away your marriage away with this? As soon as you open you mouth to say a word, she says: "Darling, I've been looking for you all night. Have you been in here?"

You can't understand why she isn't shocked about seeing me at your side. Soon she walks over and places her hand on your face and kisses your lips as she looks into your eyes. "Baby, you look like you've just seen a ghost. What have you been doing in here, and why is it so cold in here?" You turn around and see the curtains blowing in the wind.

You look out the window and stare at the night. You and your wife start to head towards the door, then you say goodbye to all your friends. You grasp your wife's hand and you walk to the car. You hold the door for her and try to act as if nothing happened. Just before you get into your car, you go into your pocket to find my card so you can call me but all my card reads is:

"Happy Birthday."

Now, it's one year later and that night is still fresh in my mind. As you get older, memories mean so much more and since you cannot change them, you relive them. So here's hoping you find this letter and remember that night that seems like so long ago.

- Julia R., Savannah

can you make me squeal?

---

I was playing with my video games when I finally was getting the hang of it and actually winning. I began shouting and squealing when I realized that guys can't make me do it. So now I'm on a quest to find the guy that can make me squeal in pleasure. I really hope Marcus and his cock can cut it 'cause I'm really horny.

## I need a real guy, but since I can't find one

---

Sure, I'd rather have a guy to play with, but when my needs arise and there's no one around, I'm happy doing it by myself. All I need is my fingers and my favorite toy, which I always have nearby. When my glass buddy comes out, things really start to get intense. Just putting it in my pussy isn't enough, It's only the warm up. I love to glide it into my ass hole. I do it so much back there that it considers my butt its home.

# sometimes it's fun to just have fun

I live in a mid-size university town in Alabama. The town itself is pretty small but the university counts more than 15,000 students. Needless to say, students rule. With so many hormones raging around the town there is all sorts of screwing going on at anytime of the day and night in almost anywhere you can imagine. But today I'm going to talk about one segment of campus life that hides under the radar.

And that's frat chaperones. And what that means is that in fraternity and sorority houses, there are older women that seem to enjoy the company of college women and men. They 'work' at the frat house making meals, keeping the guys in line, especially at parties and such. In such a confined environment, it's inevitable that there may be hanky panky between the house chaperones and students. Many frats make it a point to hire only 'unfuckable' women. Foreigners, older ladies, lesbians, and the ugly. That tends to minimize the amount of potential hanky panky.

Some, on the other hand look for chaperones that are willing to fool around. It tends to keep a lot of the hormones in the frat house and away from other campus events where pumped up guys can get out of hand. With all that said, let me tell you about Jolene. She has been at our frat house for the last three years, Just the same time that I joined. She was 32 and very attractive. Her ex-husband had attended

*She started sliding her hand up and down my shaft, occasionally dropping her hand down further to caress my balls. She knew just what she was doing, but she also knew that she shouldn't really get me off - I was here for Gloria.*

the same frat and she said she has a fondness in her heart for the guys in it. That's okay by me. It was an unwritten rule that if she wanted to play around with you, she would pick you and you'd keep it to yourself. The last thing needed in this place was jealous dudes and the school administration finding out, although we all knew that they knew.

One of her best traits was at frat party time. She had a direct pipeline to the better sororities and they provided the best and most discreet girls for the more private parties at the frat house. Jolene herself was not above joining in a little girl-girl action but never fucked any of the guys in front of each other, or the girls. Perhaps the greatest perk of this frat was the private parties.

These were open only to upper classmen, usually juniors and seniors, and enough of them are held throughout the year that everyone gets a shot at some fine sorority pussy. These parties involved only half a dozen people or so and were held in the middle of the week. The guys and girls involved did not have classes the next morning and since they were mid-week they were easier to keep quiet.

I received the invitation for next Thursday's party. 11:00 pm in the movie room of the frat house. It was a dark paneled room with half a dozen sofas and a few more overstuffed chairs where Fridays and Saturdays were communal movie night; and anyone could use it during the week,

until 10 pm – then everyone had to be in their rooms, studying or sleeping. By 10:30 there were three guys and three girls and Jolene. She had paired us up and introduced us over glasses of wine or beers. By 11:30 we were all feeling pretty good and the lights were turned down even more and changed to a warm amber color. My date was Gloria, a 5' 9" blonde coed from the Kappa Deltas, the hottest sorority on campus. The other guys got dates just as hot but my focus was on Gloria.

The party started with Jolene gently kissing the mouth of my date, warming her up for me. Without breaking the kiss, Jolene reached down to Gloria's jeans and unsnapped them. I could tell by the way that she moved her arms and shoulders that she had put her hand inside the girl's pants and begun massaging her pussy. I knew that I was going to get to see more of her in a few minutes and I was content to just watch Jolene warm her up for me.

I saw the other two girls in the corner whispering excitedly to each other as they watched. I returned my focus to Jolene who had turned the girl around so that she was facing the wall, her pants unbuttoned and about ready to fall down. Jolene had her bend over and put her hands on the wall, leaning against it and making her taut ass poke out into the room. I can tell you she had a world-class ass.

Then Jolene brought her hand up, and with a smile on her face smacked the girl hard on the ass.

She moaned softly and stuck her butt out even further, wiggling it teasingly from side to side. I suddenly remembered that I was here to screw this girl myself and not just to watch Jolene have fun. I stepped forward and Jolene noticed me and as I got close to them, Jolene stopped caressing the girl's warm bottom and stood up next to her.

Jolene smiled at me with her eyes and then stepped close to me and started to unzip my jeans. Jolene dropped my pants down over my ass, exposing my erection. She started sliding her hand up and down my shaft, occasionally dropping her hand down further to caress my balls. She knew just what she was doing, but she also knew that she shouldn't really get me off – I was here for Gloria.

Jolene grabbed my dick and guided it towards Gloria's firm butt. She let go as the cockhead arrived inches from

butt and my rod. She moaned softly as she felt the wetness. Then she stood up straight, rubbing my bare dick with her bare ass as she tried to make as much contact with my body as she could. My arms slipped around her and grabbed onto her boobs through her shirt.

After caressing them for a moment, I slid my dripping tool up and down her ass. In one fluid move she slipped her t-shirt off over her head, and I got to see her perky nipples being teased by my fingers. I was engrossed in the pleasures of her butt, lost in a dreamland of lust. But still, I noticed when Jolene kneeled down beside the girl's legs. She slid her pants and panties down and helped her step out of them. I glanced down and saw that she was totally naked now except for a pair of lacy white socks that came up to her calves.

All the while I kept up a steady rhythm, riding the outside of her slippery ass just like I wanted to ride the inside of her pussy. Sensuously she began to turn around, her arms encircling my head and her young breasts pushing into my chest. My bare cock left a slimy trail of sperm on her tight stomach as she came to face me. She brought her lips up towards mine, ready for a kiss. As we kissed for the first time she reached down and took my rod in her hand and rubbed it against her

belly. Her lips were firm and delicious, and I was so busy kissing her that I barely noticed that Jolene had slid my pants down, freeing my legs and my cock.

her ass and I stepped closer feeling my flesh on her flesh. I laid my cock between the cheeks of that delectable ass and a little spurt of precum squirted out of me, lubricating her

I was so horny that I knew I was going to have to take her soon. I gave Gloria a little push and she fell back on the sofa. She spread her legs wide as I stepped between them. I tangled my fingers in Gloria's hair as she took my dick in her hand and leaned close. She stuck her tongue out and licked the pre-cum off of the purple head, and I could feel her trembling under me as the taste sent little pre-orgasmic shivers through her. After a half-dozen licks she took me deep into her mouth. I couldn't believe the sensation as she slid her mouth up and down my shaft.

When I felt the cum bubbling perilously close to shooting out of me, I gently pushed her back on the sofa. She slouched there with her legs spread wide and her eyes twinkling up at me. She had a little smile on her face, but her breathing was hot and heavy as she waited to be skewered with my hot steel rod. I knelt between her legs and she drew her knees up, exposing her cute little pussy to my hungry tongue. I put my hands on her ankles, and even the lace of her socks felt sexy at that point. I pushed her legs wider to get an unobstructed view of her slit.

First I licked the right side, and then the left. Over and over I caressed her with my tongue, carefully avoiding touching her slippery inner lips. Finally, unable to take my teasing any longer Gloria grabbed my hair and pulled my face closer, grinding herself against my lips and forcing her wet hole to join with my mouth.

I reached my hand around her leg so that I could get my finger on her clit, and I flicked it wildly as I continued sucking. It was as if an electric shock passed through her. She spasmed and came into my mouth, riding the waves of pleasure that passed through her. As she came, her pussy

like I was all cock and nothing else. As I rapidly slid myself in and out of Gloria's velvety warmth, the cum which had been building up inside of me began boiling out of my balls.

I rammed myself into Gloria as far as I possibly could and froze. After a second or two my dick injected load after load of hot white sperm deep into her. She came too, looking into my eyes and squeezing my hand in a death grip as her body squirmed and spasmed around our joining. I never felt so drained in my entire life. Exhausted by my orgasm I let go of her hand and fell away from her.

became even wetter and her girl liquids oozed onto my lapping tongue. I slurped every delicious drop, wondering if I would ever taste anything this insanely good again.

Still gasping for air but finished with her orgasm, Gloria finally relaxed her legs and let go of my hair. I stood up straight on my knees and scooted in closer, my throbbing dick only inches from her cute little slit. Gloria spread her legs even wider and slid her ass towards me, her pussy pleading for my penetration. I grabbed my cock and guided it into her wet hole. The warm sensation ran through my entire body. It was

I saw Jolene approach her and she quickly got down on her hands and knees and crawled to Gloria's dripping pussy. Jolene dropped her mouth to the sperm trickling from Gloria's hot pink slit. Jolene licked my warm seed from Gloria's wet lips, savoring each drop

and then swallowing her juices mixed with my cum. She had her eyes closed and a little smile on her face as she enjoyed Jolene's oral attentions. It wasn't long before Jolene had licked up all my cum off of Gloria.

Jolene wiped her mouth with the back of her hand and stood up. She helped Gloria stand up. They gave each other a kiss and invited me over for a three-way smooch. After that night, Gloria and I became boyfriend and girlfriend. Many times I thanked Jolene for introducing us at the party. "That's what I'm here to do." she said.

I've just turned twenty but I like my men a little older. Not the grandpa type, but the guys that have been around the block a time or two. I admit to having done younger guys, but for me, they don't last long enough or know how to please me, or how to make sex more interesting than just shoving a cock in my pussy.

I'm ready for my first anal lesson. I'm a fast learner.

I'm waiting for my tutor to come over today. He's a nice guy and knows his stuff. But I have a little surprise for him. I've been studying a lot. And when we're done, I'm going to pay him like he's never been paid before. He'll find that I love having my pussy licked. I hope he'll go a bit farther by letting him ride me because I'll bend over and let him fuck me from behind. But I won't stop there. I think I'm going to offer up my tight 18 year-old ass for him to fuck.

I can't wait.
